

COLLEGE AFRICA GROUP

Discover your Potential

Excel Dashboard Advanced Training

College Africa Group is based in South Africa and provides specialised custom Microsoft Office and Management learning solutions across Africa. College Africa Group was established in 2005 in order to address the skills shortages in Africa.

Our specially designed training workshops address current issues and trends. Our expert facilitators are willing to share their vast knowledge and experience via interactive training sessions.

We ensure that every delegate interacts in the workshop and that they receive personalised attention throughout the training.

College Africa Group is helping people in Africa to DISCOVER THEIR POTENTIAL through learning.

Excel Dashboards will allow you to master Excel and Discover your Potential and become the Excel Guru that is within you and create wonderful interactive Excel reports.

This Excel Dashboard reporting course will provide the delegate with excellent advanced Excel skills in order to create complex Excel Dashboard reports and much more!

This interactive two day course covers advanced Excel features and integrates them to create the desired report.

This course is for those who have mastered Pivot tables, Vlookup, IF and other advanced Excel formulae. Delegates who have attended our Executive Excel advanced course are correctly prepared to master this Excel Dashboard reporting course.

Our expert facilitators will share their knowledge so that the delegate is able to integrate excel functions in order to achieve the desired result that is often required in the
